Keatings Pub, Store St, (opp. Busarus)

Sat November 30th at 8.30 p.m.

The use of the Death Penalty in the USA is on the increase. More and more States are bringing back this barbaric law. The main victims of the Death Penalty are poor Black people. BRIAN ROBERSON is one of these. He is 32 years of age and has been on Death Row for 9 years in Texas. There are more executions in Texas than in any other State. Brian is fighting to clear his name and save his life. This quiz is organised by the Drimnagh Branch of Socialist Workers Party to support Brian who is now due to be executed on 24th January next. His mother has sold her house to pay for legal fees and he is dependent on support from people who are against injustice around the world.
